

## **B** ORTHODONTICS

### Parent Program

Did you know we treat adult patients as well? Whether you never had the chance to get treatment or lost your retainer, it's never too late to gain confidence in your smile and achieve a healthy bite and occlusion. We offer our adults:

- A before and after simulation of your unique smile outcome

- Esthetic options including clear braces, Invisalign and InBrace

- Privacy during your visits in one of our semi-private treatment rooms

As a parent of an existing patient, we offer you:

- A courtesy discount for being part of the B Orthodontics Family
- An esthetic upgrade from metal to clear braces at no charge
- If choosing clear aligners or Inbrace, get a complimentary second set of retainers
- Flexible financing with \$0 down and \*extended monthly payments
- Free whitening at the end of treatment

To qualify for our parent program, you must have at least one child as a patient of our practice in good financial standing.

\*If you choose our flexible financing option with \$0 down and extended monthly payments, we require you to be on ACH Autopay.
